

Servers/Storage Consolidation & Virtualization

- Application Availability
- Backup
" Libraries & Autoloaders"
- Data Replication
- Data Protection
- Deduplication
- Disaster Recovery
- Desktop Virtualization
- Hardware Availability and Failover
- Infrastructure Design
- Server Hardware
- Server Sizing
- Server Virtualization
- Storage Hardware–NAS, Fibre Channel, and iSCSI
- Storage Consulting

Secure Mobility

Indoor Wireless Networking (WLAN)

- Access Points and Controllers
- Rogue AP Detection
- Secure Mobility – Policy Enforcement
- Wireless Authentication
- Wireless Meshed Networks

Network Security

- End-Point Protection Software
- Network Admission Control (NAC)
- Intrusion Prevention Services (IPS)
- Spam/Spyware Firewalls
- UTM Firewalls
- Web Content Filters

Network Infrastructure

Wide Area and Local Area Networking (WAN/LAN)

- IP Video Streaming
- IP Video Conferencing
- Layer 2 and 3 Switches
- Network Monitoring
- Server Load Balancers (Layer 4-7 Switches)
- Secure Mobility – Policy Enforcement
- WAN Routers
- WAN Application Acceleration Services (WAAS)
- WAN Circuits (MPLS)

Certifications

- Cisco –CCDA, CCNA, CCNP, CCSP
- CITRIX
- HP Networking – ASP, ASC, Master ASE
- Microsoft – MCSE, MCITP
- Sonicwall - CSSP
- VMWare – VCP, VSP, VTSP
- IBM
- NETAPP
- NETSCOUT
- DELL
- EMC

Government Contracts

- CMAS: HP, Cisco, Professional Services (Available upon Request)
- CSSI
- ERATE SPIN: 143031939
- Special Certification:
 - ❖ WBENC, NCMSDC
 - ❖ Small Business
 - ❖ Women Owned
 - ❖ Minority Owned

Professional Services

- Hosted Network Monitoring Services
Solarwinds
- Network Consulting, Planning, Design, Configuration, Implementation, and Optimization:
 - ❖ Firewalls
 - ❖ LAN
 - ❖ Network Security
 - ❖ Servers
 - ❖ Storage
 - ❖ WAN
 - ❖ WLAN
- Network Security Assessments/Audits & Penetration Testing
- Microsoft Implementations, Migrations, and Consulting
 - ❖ NT, 2000, 2003, 2008 Server
 - ❖ Exchange 5.5, 2000, 2003, 2007, 2010
 - ❖ Small Business Server
 - ❖ SQL
 - ❖ Terminal Services and Remote Desktop Services (RDS)
- On-going Support & Contract Options
